

CREATIVE MEDIA SUITE ON-SITE TECHNICIANS AND APPLE TRAINERS

🍏 MACBOOK PRO/SMART BOARD/FINALCUT/LOGIC/ ADOBE CREATIVE SUITE/...

The third floor of the Scala is equipped with state of the art equipment and facilities to enable individuals, organisations and businesses to participate and develop their learning in relation to all aspects of the arts and digital media, including film making and editing.

Education and training are central to the Scala and the centre works with local schools colleges and community based learning initiatives to support the delivery of digital media provision for young people and adults.

A unique self-contained professional studio environment, ideal for students wanting to learn simple new skills through to media professionals wanting to enhance their existing skills.
